Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The medication that I get from
the compounding pharmacy that I use
is not available from regular pharmacies
or locally so I must get it via mail order
from out-of-state. I tried a similar
commercially manufactured medication but
had severe side effects.
